## **PROUD MAN WALKING**

HarperCollins Publishers, United Kingdom, 2009. Paperback. Book Condition: New. 234 x 153 mm. Language: N/A. Brand New Book. Betrayed by his club but beloved by the fans, former Chelsea manager Claudio Ranieri has been a constant headline-maker in 2004. Occasionally puzzling, often eccentric, but always fascinating and refreshing, the Italian describes the highs and lows of an extraordinary season at Stamford Bridge - and the dramatic end to his English journey. Hello, my sharks. Welcome to the funeral. People have said I am a dead man walking - but I am still moving! Tonight I am a crazy man and Roman Abramovich is also going mad like me! What were the skills required to mould a group of exciting individuals into a team capable of challenging the likes of Arsenal and Manchester United at the top of the tree? With the media suggesting an uneasy alliance between Ranieri and Roman Abramovich, what was it that drove their complex relationship? What was the real truth behind the allegations that Ranieri s position was being undermined by his...
