The Freud Reader the Freud Reader

By Sigmund Freud

W. W. Norton & Company. Paperback. Condition: New. 896 pages. Dimensions: 8.0in. x 5.0in. x 1.7in. Freudian thought permeates virtually every aspect of twentieth-century life; to understand Freud is to explore not only his scientific papers on the psycho-sexual theory of human development, his theory of the mind, and the basic techniques of psychoanalysis but also his vivid writings on art, literature, religion, politics, and culture. Peter Gay, a leading scholar of Freud and his work, has carefully chosen these selections to provide a full portrait of Freud's thought. His clear introductions to the selections help guide the reader's journey through each work. Many of the selections are reproduced in full. All have been selected from the Standard Edition, the only English translation for which Freud gave approval both to the editorial plan and to specific renderings of key words and phrases.
