THE PATH OF PAGANISM: AN EXPERIENCE-BASED GUIDE TO MODERN PAGAN PRACTICE (PAPERBACK)

Llewellyn Publications, U.S., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Path of Paganism provides practical advice and support for living an authentic Pagan life in our mainstream Western culture. Witches, druids, polytheists, and other Pagans will discover an experiential guide to the foundations and practices of these deeply meaningful traditions. For John Beckett, practicing Paganism means more than adopting a set of books, tools, and holidays. Practicing Paganism means cultivating a way of seeing the world and your place in it. It means challenging the assumptions of mainstream society, keeping those that prove true and helpful while discarding those that show themselves to be false. It means building a solid foundation from which you can explore the nature of the universe, the gods, your self, and your community while learning to strengthen your relationship with all of them.
