

The Second 100 Chinese Characters Traditional: The Quick and Easy Method to Learn the Second 100 Most Basic Chinese Characters (Paperback)

By Laurence Matthews, Alison Matthews

Tuttle Publishing, United States, 2016. Paperback. Condition: New. Traditional Character Edition. Language: English . Brand New Book. This book is a quick and easy way to learn the second 100 basic Chinese traditional characters. The major struggle facing all beginning Chinese language students is to learn to recognise, read and write hundreds of Chinese characters. A working knowledge of characters is essential for any student wishing to learn Chinese. The Second 100 Chinese Characters adopts a structural approach that helps students to overcome this initial difficulty and quickly master the basic Chinese characters that are fundamental to this language. Intended for beginning students, this book contains characters that have been carefully selected and sequenced for rapid and effective learning. For effective learning, memorization and practice, each Chinese character is shown separately on a single page, together with its English definitions, hanyu pinyin romanization, alternate form (if any), a stroke order guide and ample space for writing practice. Printed in gray lines, the stroke order guides introduce the student to the standard stroke sequence used in writing the characters, by tracing over them. After learning the correct stroke order, the student can then practice writing the character on their own, thus...
