Timothy Tulloch was not a normal, healthy, baby boy and the doctors did not give him much chance of ever being able to walk. However, with his mother s time and patience he proved them wrong. He was educated at home and his only friends were his pet parrot, Carolina, and a boy named David. One evening, while he was alone in the house, Tim decided to venture out into the garden further than he ever had before. It was on this night that he discovered an enchanted wood and the wonderful flowers, plants and animals it held. On his next visit to this wonderful place, he met a beautiful little girl called Amy, who soon became his friend. Due to their secret friendship and special place they shared, Tim discovers an inner strength and determination that allows him to thrive and follow his dreams, despite all the odds.
