Actually, it didn't sound nearly as bad as she'd expected once the producer/blackmailer explained. The filming would be done in low light situations. No one would ever get a really good look at her face. And it was just acting anyway, right? They weren't actually going to do all those things. Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
