WW Norton Co, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Ellis, unlike many passers, maintained a connection to his family and to black politics that also raised awkward questions about his racial status. Yet such was Ellis s skill in manipulating his era s racial codes, most of the whites he encountered continued to insist that he must be Hispanic even as Ellis became embroiled in scandals that hinted the man known as Guillermo Eliseo was not quite who he claimed to be. The Strange Career of William Ellis reads like a novel but offers fresh insights on the history of the Reconstruction era,...
