THE PIRATES: WHALING / SCIENTISTS

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Pirates: Whaling / Scientists, Gideon Defoe, Scientists: 1837: the Victorian Era approaches. Worried that his pirates are getting bored with a life of winking at pretty native ladies, sitting about on tropical beaches, and trying to stick enough jellyfish together to make a bouncy castle, the Pirate Captain decides it's time they had an adventure. A chance encounter with the young Charles Darwin leads the Captain and his rag-tag crew from the exotic Galapagos Islands to the fog filled streets of Victorian London, where they encounter grisly murder, vanishing ladies, a diabolical Bishop and the Elephant Man. Whaling: Since she sailed away after the pirates' adventure with scientists, the pirates' boat has been somewhat battered by the rigours of ocean life. The Pirate Captain decides he must pay a visit to Cutlass Liz's boat yard and trade his ship in for a newer model. Dazzled by the swan-lined curtains and tennis courts of 'The Lovely Emma', and frankly, by Cutlass Liz's lovely face, the Pirate Captain makes a rash decision and finds himself with a debt of six thousand doubloons, and very little time in which to pay it before the sands of Liz's hourglass run out and he and his crew are gutted like fish.
