## THE ART OF TRAINING CHOIR BOYS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the PREFACE. The art of training boys voices for Church Choir singing has yet to be reduced to simple formulae, whereby the chief difficulties which beset the path of the young organist or choirmaster may be removed. This present work is intended to perform the duties of a pioneer in this direction. It is hoped that the remarks and hints herein contained (which are the result of observation and experience during the course of many years) may be useful to all interested in the subject, and may be regarded as the nucleus for the further accumulation of both laws and facts, until a system, as perfect as possible, may be formed and founded for future guidance. It is hardly necessary to say that no literary merit has been aimed at. This work merely contains a set of maxims which, it is hoped, may be of use to young teachers who are entrusted with the musical education of choristers. Excellent tuition can be obtained in all other branches of the musical profession in almost every part of the Kingdom; but the art of training boys to sing is one which can only be learnt by experience in those places where the culture of boys voices is not neglected. Even where the subject is a matter of daily use, it is found that there is often a want of system, and a frequent substitution of rule of thumb principles, which in a matter of such importance ought not to be resorted to. Many organists of great executive ability, severally masters of the mechanical portion of their art, and collectively more skilful than the members of the same profession in any...
