Dictionary of toxic Chinese herbal medicine from the perspective of toxic Chinese herbal medicine Chinese herbal medicine on the form, composition, pharmacology, and treatment of poisoning, and other aspects are described in detail, to fill this gap. But the only drawback is the lack of true multi-color photographs, a species in the proper identification, collection and processing can not be said that a major flaw. Toxic herbal color illustrations, the publication is to a certain extent make up for this shortfall. A collection of 505 across the country take color photographs of toxic herbs, and make a concise description. Most of these color photos are photographers hell and high water, suffered badly photographed the scene, each photo is clear, realistic, outstanding morphological features vivid faithfully reflects the growth habits of these toxic herbs and ecological environment. This book is a visual identification of species can form toxic properties of Color Atlas of Chinese herbal medicine, practical, and both the Chinese medicine profession in teaching, research personnel, reference books, but also the masses identify toxic Chinese herbal medicine books, with rare scientific value.
