Life wasn t meant to be so stressful and complicated, but sometimes can be. That s when we need to go back to the basics of the ever living word. In other words, John said.1In the beginning was the Word and the Word was with God, and the Word was God.2 The same was in the beginning with God. (John 1) If you ve been missing out on daily devotion and your life just doesn t feel right, then check on the various parts of your personal life that may need an overhaul healing. With Invisible Voices Healing In My Life you can get a cup of coffee and digest (say it, speak it, prophesy it over your life throughout the day) then come back in the evening before retiring and meditate that healing portion again. Why, Because God s Word heals every part of your life! (Psalm 107:20) He sent His Word, and healed them.
