The Fringe, Book 2 After a year, Michael Overlord Parker finally knows whos been pilfering his black market goods. Astonishingly, the elusive Bandit of Taiga isnt a man. Its a woman, an infuriating spitfire whos half in love with Michaels overly romanticized reputation. Remarkably Average Mary exudes an intoxicating scent that Michael cant quite puzzle out, even with his unique ability. As long as she remains bound and blindfolded, he has the advantage and the bonus of tormenting the bane of his existence. Marys deceptively innocent face has never failed her. Yet somehow shes at the mercy of a man she knows only as Commander. His demands are simple. Surrender her methods of banditry, or surrender her body. As his essence invades her intuitive ability and her remaining senses she becomes increasingly frantic to escape before she yields all that and more to her compelling captor. Their sensual sparring ignites, and Michael finds himself wanting to erase Overlords myth from her fantasies in favor of the real man. But first he has to foil the slippery little devils escape attempts. And find out whos been using her to unknowingly help the empire wipe him off the face of his own planet. Warning: This futuristic contains a planet-owning alpha hero, a feisty heroine who can swear in over thirty languages, a sidekick with a crackleseed addiction, witty repartee, epic space battles, sensual karate, and tight black leather pants. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
