Henry never really wanted Maxi in his life - a promiscuous teen who did the whole football team, got pregnant and successfully forced him to marry her. The marriage was short-lived when Maxi was caught cheating a few months before her baby is due. Years later, after doing some time in the army, Henry goes back to his hometown and bumps into Maxi. He s smitten again with her, more so now that she has become even more ravishing. Henry moves in with Maxi and learns about her daughter from a previous man. Down the road, their relationship is on the brink of a downward spiral like the first time they got married. Only this time, he can t think of a much better ending. **SAMPLE 1:** You want I should start? I took a deep breath and said, What kind of music do you want? I don t need music to take off my clothes. Okay then, get with it. She spun around a couple of times as she undid the buttons on her blouse and then she slid it off and tossed it in my direction. A couple of dips and twists and the bra landed at my feet. She had a very nice firm set of tits. Some spins, dips and a few other moves and the skirt was in a puddle around her ankles. A little kick and her skirt landed in my lap. All she had left on were her thong, hose, heels and garter belt. She danced over and stood in front of me. You want to take my panties off with your mouth?.
