Happiness Is Making Lists is one of eighteen niche journals making up the Color Your World journal series. Each journal in the series has been given a specific theme so you can organize your ideas, inspirations, and things you want to remember. If you're like most people, you have a journal (or even two or three journals) where you write anything and everything about anything and everything. The challenge comes when you're trying to find something that you've written. You flip and flip through the pages of your two, three, or four journals trying to find whatever it is. A niche journal offers you a solution! The Color Your World journal series is journaling without limits. You will love the beautiful watercolor designs. And you need big unlined paper to record big ideas, dreams, and memories. You need room to grow, stretch, and expand with space to think beyond the confines of what you've always done.
