

LOrchite Des Typhiques

By NIH Consensus Development Program.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. OCLC Number: 53907532 Excerpt: . . . The challenge is to increase awareness about the importance of recognizing and actively addressing cancer-related symptoms when they occur. Specifically, we need to be able to identify who is at risk for cancer-related pain, depression, and or fatigue; what treatments work best to address these symptoms when they occur; and how best to deliver interventions across the continuum of care. This National Institutes of Health (NIH) State-of-the-Science Conference on Symptom Management in Cancer: Pain, Depression, and Fatigue was convened on July 15 - 17, 2002. The primary sponsors of this meeting were the National Cancer Institute (NCI) and the Office of Medical Applications of Research (OMAR) of the NIH. The cosponsors were the National Institute on Aging (NIA), the National Institute of Mental Health (NIMH), the National Center for Complementary and Alternative Medicine (NCCAM), the National Institute of Dental and Craniofacial Research (NIDCR), the National Institute of Neurological Disorders and Stroke (NINDS), the National Institute of Nursing Research (NINR), and the...

Reviews

This is basically the greatest book i have got read through until now. It normally will not expense an excessive amount of I am just delighted to let you know that here is the greatest book i have got go through within my individual existence and might be he finest book for at any time.

-- **Precious McGlynn**

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.
