Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Love 3:16 was written in the backdrop of a simple idealism: The love we demonstrate for ourselves and for each other should mirror the affection that the eternal guardian provider of the universe offers unto us. It is a literary devotional analyzing the scripture of John 3:16; bringing to life a contemporary view of how our love for each other should mirror that of divinity. My goal is that this manuscript will serve as a sort of conversation piece, one that will not only spark a substantive dialogue about love, but force us to analyze how we choose to exercise it.
