

The Pampered Wife: A Husband's Map to Unknown Treasures (Paperback)

By Mark Douglas

iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Pampered Wife is an extremely helpful and insightful book for any husband trying to improve his relationship with his wife. Author Mark Douglas draws on his own life experiences and presents them in a way that is easy for the reader to understand and to apply in his own marriage. He explains how little chats with his mother while baking cookies and cakes, as well as conversations and experiences with his father taught him how and prepared him to be sensitive to the future needs of his wife. Douglas uses a very practical, non-technical approach to show the husband things he can do to help make his marriage even better than it is. Some of the subjects covered are: What a woman really means when she says she is fat, ugly, and has nothing to wear! How sex and communication are the same thing How important service is in a marriage Why you should treat your wife like a queen and how to treat her as such The Pampered Wife truly is a roadmap to unknown treasures as it show its...
