ALCHEMY OF THE SOUL: INTEGRAL HEALING: THE WORKS OF PSYCHOLOGY SPIRITUALITY (PAPERBACK)

Blue Dolphin Publishing, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. Alchemy of the Soul depicts the ever-widening circle of an evolutionary psychology which views the soul rather than the ego as the epi-center of human experience. The reader can observe this experience directly. Within the context of the author's therapeutic practice, trauma converges with the transpersonal. The force that propels this work and redefines the boundaries of depth psychology is the Integral Psychology of the great mystic/philosopher, Sri Aurobindo. This ever-widening, yet clearly defined psycho-spiritual realm incorporates the fullness of the human psyche without ignoring the occult or cosmic. Beyond the theoretical, this book opens the office door as client and clinician experience the soul's alchemy. Endorsements The body-mind-soul interface is the frontier of much significant exploration today. Its impact on psychology and spirituality is facilitating the discovery of our true Selves. While transpersonal psychologists delve ever deeper into the soul, Sri Aurobindo guides the soul on its return journey through manifestation. Influenced by the soul psychology of Sri Aurobindo and his consort, the Mother, Arya Maloney began his unique approach to transpersonal psychology. With guides like Sri Aurobindo and the Mother, the door to awakening opens. Bridging the juncture between spirituality and psychology, Arya reveals the alchemy of the soul. Lama Surya das Arya Maloney updates the basis and practice of transpersonal psychology by using the spiritual principles of India's masters and the transformational alchemy inherent in his clients processes. His work is both enlightening and informative. Arnold Mindell Maloney has contributed significantly to the field of transpersonal psychology by updating and enlarging its scope for the twenty-first century. He has included both the concrete spiritual dimension beyond intellect and the physical body. He reports clear and real experiences of his...
