## ON POLAR TIDES: PADDLING AND SURVIVING THE COAST OF NORTHERN LABRADOR (PAPERBACK)

ROWMAN LITTLEFIELD, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. On Polar Tides is the gripping true-life adventure story of kayaking legend Nigel Foster s two unprecedented polar kayaking expeditions along the coast of Northern Labrador; one an epic survival story, which included the first solo crossing of the Hudson Strait, and the second, a return to the scene of his rescue 20 years earlier-navigating some of the harshest coastal conditions on the planet along with his girlfriend, Kristin Nelson. The story offers an intimate and insightful view of Ungava and Labrador, and a glimpse of how the extremes of nature and mutual suffering can bring people together.
