BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. All of the Intelligence Community (IC) elements except for one are participating in the Joint Duty Program and the IC elements generally view the program as beneficial. The Office of the Director of National Intelligence (ODNI), the Defense Security Service, the Office of the Under Secretary of Defense for Intelligence, and 15 other IC components have identified an office or individual responsible for facilitating the program. However, the U. S. Coast Guard (Coast Guard), which ordinarily operates under the Department of Homeland Security (DHS), does not participate in the program, even though the Intelligence Reform and Terrorism Prevention Act of 2004 and IC guidance stipulate that the Joint Duty Program applies to the defined IC, which includes the Coast Guards civilian personnel in its National Intelligence Element. Coast Guard officials stated it delayed its participation in the program because it first plans to conduct a workforce study that will determine how the Coast Guard will participate, but it has not identified a timeframe for the study's completion, and the position assigned to conduct the study is currently vacant. As a result, personnel in other IC elements may not fully understand the Coast Guards intelligence mission and Coast Guard employees may have limited opportunities to collaborate with other IC elements. This item ships from La Vergne, TN. Paperback.
