Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The novel is set in the present, in the most mountainous area of West Virginia, one of the places in the USA that has seen a steady decline in its population during the past thirty years due to economic reversals. For the isolated locality to survive a live and let live understanding exists; everyone is fully aware of the highly unconventional pasts of both Kim and Trish, her mother. Thanks to Trish s hedonistic and promiscuous teenage life, town folklore asserts that any of seven males could be Kim s father. When Trish brought five year old Kim out of the mountains into town to live, her and Kim s total disregard for what the community thought of them affronted the more moral, whilst their method of always telling the truth -albeit in factually accurate but convoluted terms- only served to sow confusion. Kim grew up with such a unique view of life that people half-jokingly said she lived in a parallel universe, explaining that there has never been anything normal in her life, so normal doesn t apply . They will...

### Reviews

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*

*-- Nannie Lindgren Jr.*

*If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.*
