Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. La vida es un gigantesco mural en mosaicos que terminan por fundirse entre si, creando al final, quizás de manera involuntaria, un paisaje impresionista o abstracto, y al dejar abierta la interpretacion, no pretendo sino que sea el lector mismo quien lo decida. En la vida hay hechos comprobados que resultan cuestionables y conjeturas muy bien fundamentadas. Tambien hay acciones benevolas que parecen malignas, y atrocidades que resultan loables. El mundo esta patas arriba, todos lo saben, pero lo que resulta dificil es determinar que es real o que es una simple impresion. O que es malo y que es bueno. Existen codigos que intentan mantener el orden en el universo, pero, cada pensamiento es un mundo, y no todos se parecen. De hecho, es esa subjetividad la que ha dado origen a este libro pero aun lo subjetivo es subjetivo en si mismo que no puede usarse como definicion propia, por lo que tras mucho pensar, y dado que la sociedad, el hombre mismo, ha senalado limites para no perderse en y a causa de su propia naturaleza, me ha parecido que la mejor manera de nombrar esta coleccion de aciertos o desatinos -decida usted, que esto no es absoluto- es -Limite Difuso-. Acabo de explicar el nombre, y con ello espero que usted se haga una idea de lo que va a encontrar dentro de este libro, solo una idea, porque no le puedo decir mas. Si acaso, haciendo gala de una amabilidad que no es usual en mi persona, le puedo advertir que se prepare para uno que otro portazo en la cara.
