He might be the humble carpenter to us, but He is known as God to alien Christians in faraway universes. Jesus is worshipped in endless- infinite multiple universes. Jesus is truly the StarChild. The Church and Israel own a googolplex universes and has doled out some for the nations. The Church and Israel own more universes than there are atoms in our universe of 200 billion galaxies. And each galaxy has about a 100-200 billion stars. He is in us and He is in the alien Christians. Christ's body can appear in different places at the same time, like when He visits different families in multiple universes at the same time and still remain on His throne in heaven and also in Jerusalem. Sinai...
