LAROUSSE, 2015. Condition: Nuevo. Desde que una pareja empieza a planear su día más importante, se suceden un montón de pequeñas historias y anécdotas que ya pueden reunirse en un libro que es toda una preciosidad. Más allá de las fotos tradicionales, este Album de boda reserva páginas para el listado de canciones que sonaron en la ceremonia y el banquete, la disposición de las mesas de los invitados, el árbol genealógico de los cónyuges y muchos otros detalles que hacen del día de la boda uno de los momentos imperecederos de cualquier pareja.
