Microcosm Publishing, United States, 2006. Pamphlet. Condition: New. Language: English . Brand New Book. John Gerken is definitely a genius. This issue contains things that will make you laugh, smile, and cry - visiting friends in the hospital, the early morning, the story of the zine s title, picking up your friends shifts at work, Shelley s annual trips to India, and organizing drag shows. But the real gem of this issue is the story of teaching 9-15 year olds how to fix bikes. It transcends the obvious and covers all kinds of education - homophobia, identity, feminism, and to question what we mean when we say community. It s all very exciting and best of all it sparked new life and faith in myself Maybe it can do that for you too; especially if you need it.
