

John Ruskin: An Illustrated Life of John Ruskin, 1819-1900 (Paperback)

By James S. Dearden

Bloomsbury Publishing PLC, United Kingdom, 2008. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. John Ruskin, one of the most prolific of nineteenth-century authors, first made a name as a writer on art with *Modern Painters*. His study of art and architecture in Britain and Europe led him to a consideration of the conditions of the people who lived in the same world as his art. His interests broadened to embrace social and political economy, and ideas which he propounded in such books as *Unto This Last* have had a profound effect on life today. William Morris, Bernard Shaw and many other early socialists practised what Ruskin had preached. His Utopian Guild of St. George sought to establish a community where life was fair and the Companions found happiness and satisfaction through the work of their hands. Meanwhile in art he championed J.M.W. Turner, introduced the English to Tintoretto and other early Italian artists and helped the Pre-Raphaelites on their way. The effects of his teaching can be seen today in green belts, town planning, smokeless zones, the Rent Restrictions Act and the National Trust. Ruskin was truly one of the prophets of the nineteenth century.

Reviews

It is a single of my favorite pdf. Yes, it is engage in, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Dr. Keeley Windler**

It is simple in read easier to understand. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is just following i finished reading through this publication where basically transformed me, alter the way i really believe.
