By Edward Samuel Farrow

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Farrow s Military Encyclopedia, Vol. 3 of 3: A Dictionary of Military Knowledge; Illustrated, With Maps and About Three Thousand Wood Engravings In conclusion, the Compiler asks the indulgence of Military Critics wherever errors or discrepancies have crept into this work, and begs to acknowledge the valuable help obtained from the works of many authors, both military and scientific, through the courtesy of Messrs. John Wiley & Sons and Mr. D. Van Nostrand, publishers, and the assistance he has received from various friends. To General Stephen V. Benet, Chief of Ordnance, United States Army, he is especially indebted for courteous assistance in the preparation of the work. To economize in space and to avoid crowding up the text, the name of the author from whom information has been derived has not been inserted after each quotation; but a list of all works which have been consulted, and from which extractions have been made, will be found at the commencement of each volume.
