

## The Rise of the American Proletarian (Classic Reprint) (Paperback)

Filesize: 8.27 MB

### **Reviews**

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.*

*(Prof. Vanessa Smitham V)*

## THE RISE OF THE AMERICAN PROLETARIAN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Rise of the American Proletarian The object of the following pages is to show briefly the causes of the origin of this proletarian class in the United States and to describe the mode in which it has made its existence manifest up to the present time. This naturally involves a critical estimate, from the proletarian point of view, of the environment in which it has developed. It is perhaps as difficult for the modern proletarian to arrive at an impartial estimate of the value of the capitalist system as it was for a Whig to correctly appreciate the feudal nobility. While antagonisms exist, hostile regards cannot be avoided, and to exhibit correctly the modern proletarian it is necessary, also, to make clear his attitude to the force with which he finds himself in antagonism. While the proletarian suffers the anguish of the conditions with which he is oppressed it would be very remarkable if he could view his antagonists with philosophic calm and front the battle with a mind clear of animosity. Desirable as such an attitude might be, it is, in the very nature of things, impossible. Therefore, in any discussion of the proletarian position, the proletarian psychology must also be taken into account. The introductory chapters are intended as a brief resume of industrial history. Their purpose is to point out to what extent the American industrialist, proletarian as well as captain of industry, has been indebted to preceding epochs of human history. Given the machine development of the eighteenth century and the factory system, the results have been unavoidable. The course of development in this country has presented no new aspects....
