Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bi-Horary Formulae (BHF) is a revolutionary new acupuncture protocol that does not require any Eastern or Western diagnostic tools. The advantages of BHF are: Only two formulae to choose from Acupuncture points are easily located on the limbs Only five acupuncture points are needed The same points can be repeated at different times The same points can be repeated for the same problems or different ones Thin needles are used and manipulation of them is not necessary No Eastern or Western differential diagnosis is necessary They can be used to complement other acupuncture points and therapies This book dispels three myths: Myth #1 - The transporting points of the yang meridians have only the element order of metal-water-wood-fire-earth and the yin meridians wood-fire-earth-metal-water. Myth #2 - A disease is directly related to a certain meridian. Myth #3 - Acupuncture manipulation technique directly tonifies or sedates a treatment point.
