Louies daughter and her friends join the nations number-one cat sleuth as he trails a Synth illusionist and her scheming Siamese assistant. While the felines battle black magic, Louies cherished roommate, plucky PR freelancer Temple Barr, is investigating the Synth despite the discouragement of homicide lieutenant C. R. Molina. Molina herself is secretly moonlighting as an undercover operative to nail the killer of a young stripper. The search has boiled down to two suspects: Temples current significant other, and Molinas ex-lover. Unfortunately, proving either man the killer will seriously impact the lives of Molina and her daughter. As Louie and his human friends sink deeper into a lose-lose situation of crime and punishment, there doesnt seem to be a way out, except another murder. Can Louie pull a rabbit out of a hat and stop the stripper killer? Will the killer this time turn out to be someone Louie knows and likes?
