Butler, Tennessee is a pinprick on the map with a diverse population of supernaturals. Its also chockful of humans who are unaware of the magical rift bruising the sky or the otherworldly insurgents raining down into their zip code. A local faes disappearance catches Dells attention, but she dismisses it as an isolated event. Until it happens again. Unable to ignore the strange happenings in her town, she begins an investigation that uncovers so much more than a simple rash of kidnappings. Now Dell finds herself at the sharp end of a pointed ultimatum. Find the missing and return them to their families or get ready for prime time, because the war will no longer be billed as coming soon. It will become tomorrows featured attraction instead.
