

The Tease (Paperback)

By Nikki M Pill

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Anna Zendel is your average 32-year-old therapist, stressing about clinical exams and struggling to recover from an abusive relationship. But at night she transforms herself into the saucy burlesque dancer Velvet Crush, enchanting Chicago audiences with the art of the tease. As Anna struggles to keep the therapy and burlesque worlds separate and get over her crush on the troupe s emcee, a new danger threatens women across the city. The papers have dubbed him the Darling Killer, because after strangling his victims, he scrawls the word darling on their skin. When one of Anna s fellow dancers is murdered in the dressing room, she realizes that Darling Killer could be closer than she thought. Could Max, Anna s new therapy client who confessed to fantasizing about dead girls and obsessing over the Darling Killer, have anything to do with the murders? As more women are murdered, and Anna begins receiving mysterious gifts, this burlesque dancer pits feathers and sequins against foul play in the deadliest dance of all.

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).
