Introduction In Antony and Cleopatra the political aspect is considered to be a very significant theme. However this Roman play treats other significant subject matters: Love and the Egyptian world. Critics have divided opinions about it; some consider Antony and Cleopatra to be a tragedy about love and focus on this aspect only. In my term paper I will try to show that this Shakespearian tragedy should be seen as both, a play about love as well as about politics and that both themes are interconnected. By analysing Antony's and Cleopatra's love relationship as well as the political situation of ancient Rome I will examine in what extent the couple's love has influenced the course of politics. Another characteristic topic of the play is the Egyptian culture and lifestyle which stands between the other two themes. My aim...

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
