Abingdon Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Some have raised the question: Is it possible, at the same time, to be a Christian and a feminist? It then moves to an overview of women in the history of Christianity and, specifically, of religion in America, presenting both prevailing attitudes about women and the (usually unheard) stories of women. After surveying the main questions a feminist method brings to the study of theology, Japinga then explores certain theological questions--How do we speak of God? Who is Christ? What does it mean to be human? Written from a moderate feminist perspective, this book provides a broad overview of feminist approaches to theological disciplines. It emphasizes consensual scholarship rather than points of controversy. It acquaints students with feminist analysis by way of the central themes common to feminist approaches to several disciplines and introduces...
