The greatest fraud in human history is currently unveiling itself; men ascribe the title man of God to themselves and on the process milk the populace, convincing them in the name of God and promises of blessing and upliftment. Men are currently covertly exploiting the masses in the name of God. These men portray themselves as evidence of God s blessing while in reality, their congregation is the source of their blessing. The greatest fraud in human history is what we unveil in this book. Men of God, are they actually real? Do you know if actually you are constantly brainwashed by these men of God and the society at large? Do you know how much you are indoctrinated which facilitate you falling prey to these acclaimed men of God? But what/who is God? Are some humans truly God representatives? Chapter one compares the present day Christian religious leaders with the attribute of the Christian God and came out with a perfect description of a true man of God. A man of God is different from a religious leader and most of the present day men of God are actually religious leaders and in business sense, they are con artist. The entire system and doctrine of Pentecostal movement is packaged to generate money for the owners of the churches, they constantly brainwash their members to believe and act in certain direction while their lifestyle portray the opposite, these inconsistencies is what I elaborate to open the reasoning faculty of the populace. At the end, you will discover that most of the acclaimed men of God are actually business men offering consultancy services and hope. Yes, most churches offer the...
