This nomination was made without a resignation on my part. For two reasons I deem it incumbent upon me to address the public upon this subject. The first is, that I conceive it due to myself to publish the grounds upon which the President has proceeded, as such a publication would not probably come from any other source. The second is, that it is due to the country that the people should understand the causes of the withdrawal of the officers from the Territory, and the policy which has been pursued in view of the evils existing there.
