Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Layers of Learning Unit 4-20 starts with terrorism in the modern world. We cover the definition of terrorism, places where terrorism is a problem in the world, the Gulf War, the War on Terror, September 11, 2001, civil liberties and safety, and bioterrorism. We also have explorations on positive things like looking for helpers, being a hero, and how to constructively combat terrorism. Next in geography we have some fun games and review projects all about the United States of America. In conservation learn about endangered species, conservation efforts, trash, recycling, sustainability, water conservation, threatened environments, stream health, air cleanliness, and acid rain. Finish up with projects that teach your kids to be fearlessly creative. We give ideas to get kids started thinking creatively in arts and sciences, but they do the mental work. In each unit you ll find a recommended library list, important background information about each topic, and lots of activities to choose from for kids of all ages. Sidebars include a bunch more ideas including Additional Layers, Fabulous Facts, On The Web, Writer s Workshop, Famous Folks, and Teaching Tips. Printable maps and worksheets are included at the end of each unit and may be printed as often as needed for your family or class.
