Reviews

Undoubtedly, this is actually the best operate by any publisher. It is among the most amazing pdf i have got read. Its been printed in an exceptionally straightforward way which is just after i finished reading this book in which actually altered me, change the way i believe.

(Deonte Kohler PhD)

SYSTEM OVERLOAD: AN UNOFFICIAL MINECRAFTER S ADVENTURE BOOK THREE: HEROBRINE S REVENGE

Skyhorse Publishing, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. The Minecraft server is at risk of a devastating crash! Glitches are appearing across the Minecraft server. Blocks are flickering unexpectedly and randomly disappearing. To make matters worse, villagers are claiming that their entire villages have mysteriously vanished, and they desperately need Gameknight999 s help. What s causing the server to overload and glitch, and where have all the NPCs gone? The User-that-is-not-a-user suspects the two questions are related, and that somehow Herobrine s henchmen are responsible. So Gameknight999 and his friends travel deep underground, facing some of the largest monster armies ever assembled as they search for a way to avoid the end of Minecraft as they know it. But his enemies have hatched their most diabolical plan yet, and Gameknight will have to risk everything to save his friends. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers--picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
