ZIONISM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Zionism It was with much pleasure that I accepted the mandate, offered to me by The Jewish Publication Society of America, to contribute an essay on Zionism as one of a series dealing with prominent Jewish movements. Whichever side of the question appeals to us, we must all recognize that under the name Zionism a solution of the Jewish problem has been presented which must be of much moment for the future of the Jewish people. I venture to think that it is the only solution and to hold that the weal or woe of our race depends upon our espousal or rejection of it. In saying so much, I am practically affirming my standpoint. I make no excuse for the trend of my thought. I have written frankly as a Zionist, and I believe that the Publication Society and its many members will be served best by the presentation of all such subjects at the hand of those whose sympathy for them has made them able to understand their essence.
