**THEOLOGICAL AUDACITIES: SELECTED ESSAYS (PAPERBACK)****DOWNLOAD**

Wipf Stock Publishers, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: That the God of Israel makes doers of us through the Torah is, in my view, the most beautiful thing we can thank him for: Every lethargy, every melancholy, indifference and moroseness is ended . . . Wherever the Torah claims us as doers, it confronts the nihilism that exclaims: There s nothing I can do. The Torah opposes anti-revolutionary laziness (F.-W. Marquardt). This anthology contains a selection of essays by Friedrich-Wilhelm Marquardt (1928-2002), former professor of systematic theology at the Free University of Berlin, Germany. As a student of Karl Barth in the fifties, Marquardt became one of the most influential pioneers in renewing the relationship between Christians and Jews in Germany after the Shoah, as well as a Barth scholar proposing a new perspective on Barth s theology and political radicalism. Accordingly the essays contained in this volume deal with the two main areas of interest in Marquardt s theological journey: Part 1 presents essays dealing with new perspectives in the relationship between Christians and Jews after the Shoah, promoting for example the significance of the Jewish No to the Messiahship of Jesus for Christian theology, and the relevance of Talmudic studies for Christians. Part 2 presents examples of Marquardt s approach to Barth s theology, emphasizing the relevance of connecting the theological and the political spheres in general, and the socialist horizon in particular in Barth s theological framework. This perspective is supported by an abundance of historical evidence and by deciphering Barth s unpublished Socialist Speeches from the Safenwil period. Endorsements: Why is the work of Friedrich-Wilhelm Marquardt so little translated and little known in the English-speaking world? Is this lack due to his radical re-thinking...
