

The Self at Work: Fundamental Theory and Research (Paperback)

By -

Taylor Francis Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. The Self at Work brings researchers in industrial and organizational psychology and organizational behavior together with researchers in social and personality psychology to explore how the self impacts the workplace. Covering topics such as self-efficacy, self-esteem, self-control, power, and identification, each chapter examines how research on the self informs and furthers understanding of organizational topics such as employee engagement, feedback-seeking, and leadership. With their combined expertise, the chapter authors consider how research on the self has influenced management research and practice (and vice-versa), limitations of applying social psychology research in the organizational realm, and future directions for organizational research on the self. This book is a valuable resource for researchers, graduate students, and professionals who are interested in how research on the self can inform industrial/organizational psychology.

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
