Reviews

This ebook can be worthy of a go through, and a lot better than other. Better than never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.

FOCUS ON WRITING 5 SB

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Focus on Writing 5 SB, Laura Walsh, Focus on Writing is an academic writing program that provides students with essential tools to master not only the key steps in the writing process, but also the grammatical structures, lexical knowledge, and rhetorical modes essential for academic writing. This five-level series progresses with students as they grow in confidence and ability from sentence level (Book 1) through paragraphs (Books 1-3) and essays (Books 3-5). Each unit leads writers step-by-step through the process of prewriting, writing a first draft, revising, and editing before producing a final draft. Not only do students write an entire paragraph or essay in each unit, they are also given plenty of practice at the sentence and word levels. Features: * Each unit teaches students how to use one or more common organizational structures: narrative, description, opinion, persuasion, compare-contrast, problem-solution, and cause-effect. * High-interest readings and a choice of writing assignments provide a springboard for students' writing. * Grammar presentation and practice correlated to Focus on Grammar make the connection between grammar and writing clear. * Building Word Knowledge mini-lessons and exercises teach students' how to use word forms, collocations, idioms, compounds, descriptive details, phrasal verbs and other types of vocabulary in their writing. * Revision and Editing checklists for each writing assignment help students rewrite and polish their first drafts. *Online Teacher's Manuals contain model lesson plans, unit overviews, timed writing assignments, authentic student models, and answer keys.
