Brand New Book ***** Print on Demand *****.Depression is today s leading emotional problem, with a skyrocketing number of reported cases. But there s much hope for those who suffer. If you or a loved one struggle with depression, whether mild or severe, Dr. Tim LaHaye assures you that there is a way to overcome those dark, hopeless feelings--even if previous counseling hasn t helped. With over one million copies sold since its first printing in 1974, How to Win Over Depression has made a life-changing difference for countless people worldwide. Now completely revised to incorporate the latest research, this book outlines principles from the Bible that can help you put depression behind you and keep it there, regardless of your circumstances. Dr. LaHaye examines the causes and treatments of depression, including physical imbalances and the therapeutic use of anti-depressants. Then, in simple language, he describes his own approach--one that s proved successful time and again for over twenty years. Digging beyond the physical and emotional components of depression, Dr. LaHaye takes you to its spiritual root and provides a means for eradicating it from your life. So whether it s just a case of the blues or a serious overwhelming sense of despair, depression doesn t have to master you. Learn how you can master it with How to Win Over Depression.
