Brand New Book ***** Print on Demand *****.Fear struck at my heart when I realized that the rebels next mission was to round up men and boys. I was included in the roundup! My journey as a child soldier had begun. At thirteen, Jeremiah Bropleh was torn from his family and forced into service in the bloody Liberian Civil War of 1989. Drugged, armed, and brainwashed, Jeremiah's conscience died as he traveled with rebel soldiers, killing, raping, and looting. After one gruesome battle, Jeremiah and his captors returned to the village where he had been kidnapped. Miraculously, Jeremiah's relatives rescued him from the rebels, but he drifted in a shell-shocked fog for weeks. His days as a child soldier were over, but his pursuit of absolution had just begun. The traumas of war left Jeremiah with uncontrollable rage and hatred. Through counseling and Christ's love, he began to heal, but he could not escape the consuming guilt that plagued him. Even after moving to America to attend college, he faced both internal and external struggles, always running from his guilt and often staying only one step ahead of homelessness. In *Uncivil War: Recovering from Life as a Child Soldier**, Jeremiah shares his journey from horror to healing, showing that God's love and leading can prevail in even the most heart-breaking circumstances.
