Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from West Indian Yarns India Islands every darkie has a play-name or name for common or every day use, which is as a rule, short and so to speak, handy. Their baptismal names, on the contrary, are lengthy and romantic, being borrowed from the pages of Standard novels or from the heroes and heromes of penny dreadfuls. In the olden days, Shakespeare was greatly resorted to as a sponsor and sable Hamlets, Othellos, Romeos, and Macbeths abound among the older negioes. Often in the desire for a polysyllabic name its uncomplimentary or inappropriate character is overlooked, and hence some more or less worthy people are found whose names bear the prefixes of Mendacious, Abnormal, Abdominal, Ananias, c. One man I know, christened Hobbledehoy, tries to conceal the unfortunate name by a strong accent on the second syllable. I have even known a Camomile Brown. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
