Infinite Ideas Limited, United Kingdom, 2016. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Do you sometimes look around your office and think the zombie apocalypse has already happened? If so, you need some expert advice, and who better to provide it than those veteran apocalypse survivors Rick Grimes and his group? Six seasons of hit TV show The Walking Dead have thrilled us with adrenaline-infused, gory entertainment, but it hardly seems the logical place to turn to for advice about one's career. Look a little closer though and you'll find it is full of examples of how (and how not) to manage your team, present your ideas and advance your personal goals. In Working With The Walking Dead you will learn: * How to identify walkers in the workplace and avoid becoming one; * Whether Daryl would agree that nice guys finish last; * Why Rick should make an effort to maintain work-life balance; * What Michonne, Carol and Deanna can teach us about making it in a man's world; * How to defeat rivals - even when they are psychos like The Governor. If you have ever wondered whether you have what it takes to come out on top in a tough environment this book could be the making of you.
