By Don Keith

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Amateur or ham radio is more alive, more vibrant, more exciting and magical than ever. Now award-winning and best-selling author Don Keith, who is an active and enthusiastic amateur radio operator, spins a series of tales that show exactly what this amazing hobby offers. Help save lives with emergency communications and weather spotting. Compete in radiosport. Talk with friends all over the planet, bouncing signals off the ionosphere, through ham radio satellites in orbit, or even using the tail of a comet, the moon, or the Northern Lights. Bring radio to mountaintops, remote islands, or national parks. And do it all with a station you helped put together. Now, with these exciting, emotional, funny and captivating tales, you can learn about the magic of amateur radio and how you can begin dancing around the dial.
