Encounters with Medicine and Sperm

By Chuang-Ye Hong

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Encounters with Medicine and Sperm, Chuang-Ye Hong, True stories of Taiwanese people, medicine and medical doctors. Encounters with Medicine and Sperm details the fascinating life experiences of a Taiwanese medical doctor, whose job has always been interesting and exciting, no matter where he is - in Taiwan, China, England or America. Dr. Hong has treated many patients, run a biotechnology company in China, managed an 800-bed hospital and climbed the academic ladder to be the top executive of a medical university. Chuang-Ye Hong's memoir covers a number of his career successes and events, including his innovative study on the most widely-used heart drug, examining if it would damage male fertility; an analysis of the actions Dr. Hong and his colleagues in a biotech company took following the dreadful outbreak of SARS in China; pioneering research into the effectiveness of acupuncture and herbal drugs; and how he was awarded an Ig-Nobel Prize for a study on the contraceptive use of Coke. The book also looks at many external socio-political issues, including the relationship between Taiwan and China; the change from Taiwan's totalitarian government to a democratic one; an inside story about the death...

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
