This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. After more than fifteen years of teaching, Rebekah Nathan, a professor of anthropology at a large state university, realized that she no longer understood the behavior and attitudes of her students. Fewer and fewer participated in class discussion, tackled the assigned reading, or came to discuss problems during office hours. And she realized from conversations with her colleagues that they, too, were perplexed: Why were students today so different and so hard to teach? Were they, in fact, more likely to cheat, ruder, and less motivated? Did they care at all about their education, besides their grades? Nathan decided to put her wealth of experience in overseas ethnographic fieldwork to use closer to home and apply to her own university. Accepted on the strength of her high school transcript, she took a sabbatical and enrolled as a freshman for the academic year. She immersed herself in student life, moving into the dorms and taking on a full course load. She ate in the student cafeteria, joined student clubs, and played regular pick-up games of volleyball and tag football (sports at which the athletic fifty-something-year-old could hold her own). Nathan had resolved that, if asked, she would not lie about her identity; she found that her classmates, if they were curious about why she was attending college at her age, never questioned her about her personal life. Based on her interviews and conversations with fellow classmates, her interactions with professors and with other university employees and offices, and her careful day-to-day observations, My Freshman Year provides a compelling account of college life that should be read by students,...
