Hendrickson Publishers Inc. Hardback. Book Condition: new. BRAND NEW, The Birds Our Teachers, John R. W. Stott, Stott's labor of love Biblical lessons from a lifelong bird watcher John Stott traces his lifelong love of bird-watching back to boyhood country walks with his father, who told him to shut his mouth and open his eyes and ears. Because of these lessons in observation, Stott learned to carry his binoculars and camera with him wherever he travels. In this unique and intriguing book, he takes seriously Jesus' exhortation on the Sermon on the Mount, Behold the fowls of the air (Matt. 6:26). He reveals lessons on faith from the feeding of ravens, on repentance from the migration of storks, on freedom from the flight of the eagle, on joy from the song of the lark and more. Illustrated with full-color photographs taken by the author in his travels around the world, The Birds Our Teachers combines information about birds with biblical truths and personal anecdotes that will fascinate bird-lovers and Bible readers. DVD includes audio-visual footage from Stott's trip to the Falkland Islands, as well as a separate audio book track. Stott calls his work an introduction to the science of omni-theology.
